

ANNUAL HOLIDAY LUMINARIES

It's time to place your orders for our annual luminary night to be held on Sunday Dec 21st starting at 5:30PM. For those new to our neighborhood, this is a beautiful tradition for the residents in our plan and the surrounding area. Luminary night started in 1989 and in order to continue this unique tradition, we ask your participation. Please consider purchasing luminaries and reaching out to a neighbor for assistance in placing them if you will not be home. There will be no rain date for inclement weather. Please feel free to use them on a night of your choosing or save for next year.

Ordering and pick up

Please print page 2 (Order Form) and select from the following neighbors to place and pick up your order. Luminaries will be ready for pick up beginning Saturday, Dec 13th.

Instructions

Luminaries are sold by the dozen and consist of a white paper bag and plumber candle. Purchase enough to place one on each sidewalk seam. Turn down 1-2" of bag to outside. Place approx.. 2" of sand, bird seed, cat litter..etc to hold candle upright or staple candle to bottom of the bag with a smaller amount of sand to hold. Position luminaries on sidewalk and light at 5:30.
